

If you are arriving by coach, please use the entrance off the A556 Chester Road. The normal public entrance is too narrow for coaches and any damage to gates, gateposts etc will be charged to the group/coach company should entry be tried via this entrance.

Please ignore the 'no entry to Tabley House' sign this is for general traffic only. Someone will need to jump out to open and close the gate. Follow the drive up to the Museum Car Park which the coach should be able to manoeuvre in to.

If you are travelling from the west and do not wish to cut across the traffic then the M6 motorway island is only a mile up the road to get you onto the right side for the gateway.

Likewise if on your exit you wish to make your way to towards the M6 junction but don't want to cross traffic there is an option to turn at a roundabout a mile or so along the A556 towards Northwich.

If you or the coach driver/coach company have any further queries please do not hesitate to contact us here at the office 01565 750151.
